Myca Smith and Stephanie Hlinak are the brains behind this wonderfully girly boutique, which stocks home accessories and gift-worthy finds as well as serves as the home base for their event planning business. Attractively packaged lotions and soaps, picture frames, candlesticks and initial-clad cheese boards and wine stoppers all make smart last-minute host or hostess gifts. New and rehabbed vintage lamps, end tables and other furniture, integrated seamlessly into the space, are also for sale. On the stationery front, you can grab ready-made packs of notecards or thank-you notes or plan a custom order for invitations.
